**DURBAN MEDIUM C CORRECTIONAL CENTRE**

1. The alternatives to violence project held two basic workshop at Durban Medium C from 11<sup>th</sup> until 14<sup>th</sup> October 2004. These workshops were attended by 36 inmates and 7 warders .
2. The participants responded positively and expressed the desire to continue with the training which they feel will help them in their lives both inside and outside the prison.
3. They are keen to become facilitators so that they can pass on the life skills they have gained to others. This training is in line with the White Paper for Corrections which emphasises the importance of rehabilitation of inmates and as Head of the Centre , we are keen to see the continuation of this project in our institution.
